MEMORANDUM FOR: Chief, Management Staff

SUBJECT : Proposed T/O for New Branch in Medicine Division, OSI

REFERENCE : Memorandum for DD/S, Attn: Chief, Management Staff, Thru: DD/I, from AD/SI, dated 28 April 1955, subject: Staff Study - MIS Section 45 (MS 531)

1. The Office of Personnel has reviewed the above referenced Staff Study proposing the establishment of a new branch of 4 positions in Medicine Division, OSI. Further information as to the nature of duties and responsibilities in these positions was obtained in discussion with the Deputy Chief of that Division.

2. In view of the level of substantive responsibilities, requiring the services of an M. D. (or equivalent specialist) in the Branch Chief position, the level of inter-agency coordination and liaison, and the probable addition of responsibilities other than MIS Section 45, such as medical NIE's, the following classifications are approved:

Intelligence Officer (Medical)	OS-0602.01-11
Intelligence Officer (Medical)	OS-0602.01-13
Intelligence Officer (Medical)	OS-0602.01-12
Clark Stenographer	OS-0312.01-05
